# Daly City Record

Published Thursday | DALY CITY, SAN MATEO COUNTY, CALIF., THURSDAY, OCTOBER 16, 1947 | VOL. 44, NUMBER 37

## GIRL SCOUTS HOLD OUTDOOR MEET

Daly City and Colma Girl Scouts and their leaders as they staged a Community Chest drive on the main street of Daly City on October 4. The girls are making bread sticks over a fire. The sticks were passed to passers by.

## CASINO CLUB BADLY DAMAGED BY FIRE

### Woman Dies From Heart Failure In Three Hour Blaze

Investigators from District Attorney Gilbert G. Ferrell's office and from National Board of Fire Underwriters are cooperating with Police Chief Sunderland and Fire Chief E. J. Kennedy in determining the cause of the fire which gutted the Club Casino during the early hours of the morning of October 10.

The fire which had as its aftermath, the death of Mrs. Alice Berg, and a reported theft of $1,500, was discovered by a passer-by, who wakened neighborhood families and made it possible for Fire Companies 1, 2 and 4 to extinguish the blaze before adjoining houses caught fire.

Mrs. Bergh, 78, of 6184 Mission street, was overcome by smoke from the burning building and was taken to Junipero Serra hospital, where she died of a heart attack and asphixia. Her daughter, Edna Cottinger, 52, an invalid, was later removed to Junipero Serra hospital at the instigation of Col. Frederick Peterson, county executive.

Arthur Christiana, owner of Club Casino, upon investigating the damage done, reported the theft of a metal box containing $1,500 from the liquor storeroom. The hasp on the door was found to be broken and later police discovered the crowbar with which the damage might have been done.

No information is forthcoming from the authorities as yet on the outcome of investigations.

Christiana's attorney, Chauncey McKeever, stated the place was insured for over $20,000, and damage from water, smoke, fire, and firemen's hatchets had not yet been decided. He said it was not expected the club could be reopened before a month.

Christiana, who lives at 100 Denslowe drive, San Francisco, also owns the Salad Bowl, located in the Excelsior District, and Club Almaden Resort, in Almaden near Los Gatos.

## Discount Marks Store Anniversary

In celebration of the first anniversary of the accessory store at Frank's Service Station, 6200 Mission, Frank Rehe, proprietor, is giving a 10% discount on all merchandise sold between October 16 and 31.

Just a year ago the store was opened and carried a few items. Today, says Rehe, there are over 1,100 different articles for the automobile carried in stock.

## Reminder, Cleaners Close Sat. Noon

Those of you who missed your Sunday clothes last week end because you failed to note the new closing hours of the cleaning establishments are surely wise by now. But just for safety's sake again we warn you: The new closing hour is Saturday noon.

The following cleaning shops will CLOSE AT NOON SATURDAY: Maxwell, 7348 Mission street; Midtown, 7146 Mission; Westlake, 278 Miriam street; Daly City, 6287 Mission; Modiste, 6149 Mission; Zugar, 8 Wellington avenue, Twin Cleaners, 6748 Mission street.

## Local Legion Has Membership Drive

The Daly City post of the American Legion has officially launched a drive not only to renew its 200 membership, but to increase the number of men enrolled in its rank.

Men who are interested are asked to call Ralph Capps, membership chairman, at JUniper 4-1418 or any other local Legionnaire, or to come to the next meeting on Thursday, October 23, in Legion hall on San Diego avenue near Marchbank park.

At the post's last meeting the boys voted to postpone the inevitable dues increase until December 1.

Due to an increase of national and district dues, which are taken from local dues, one may become a member or renew membership for 1948 for five dollars only if it has been paid before December 1 of this year. From that date on, dues will be six dollars a year.

## Rod and Gun Men On Fishing Trip

Daly City Rod and Gun Club is staging a two-day fishing trip this week end when 24 members leave early Saturday morning for Rio Vista, famous fishing grounds near Sacramento. Prizes will be given to the two men catching the largest fish.

Those men going are Lewis H. Reed, Sam Steinert, Henry Hillenbrand, Lee Armor, Victor R. Day, C. Weckerle, A. Gardner, Leonard Mejia, H. E. Nenstiel, D. C. Gensel, George Scally, Percy Smith, John Grunberg, Harold Pearlman, James A. Fox, V. Tranberg.

S. E. Burton, Ed Meierding, A. A. Black, Ed Cuersma, Salvador Mejia, J. Kofka, Ben E. Cordeiro, Jake Steinert.

## RECORD RECEIVES COMMITTEE LETTER

The Citizens Committee of Jefferson School district, San Mateo county have sent the DALY CITY RECORD the following letter as a result of their recent bond victory:

October 5, 1947

Daly City Record
3317 San Jose Avenue
Daly City
Dear Editor:

The Committee, through its chairman, A. J. Bodien, wishes to express its appreciation of the effort your organization put forth in the recent School Bond Election.

Such an overwhelming majority vote in favor of the bond issue shows that each civic group in our community more than did its share to make the election the success that it was.

With the funds now made available through the bond issue, and with the expectation of additional State Aid, we feel certain that the first phase of the Ten Year Expansion Plan can be carried out for our school district.

It is indeed gratifying to know that such loyal support has been given to the Citizens Committee and that you may be counted upon for further assistance in the future.

Very truly yours,
Signed:
Frederick W. Brehm
Secretary

### Ignition Wires

An occasional check of the secondary wires running from the motor's distributor to the spark plugs of your car is advised by the California State Automobile Association. Worn or cracked insulation may cause the motor to miss, particularly in damp weather.

## LIONS CLUB ASKS NEW POST OFFICES

The Daly City - Colma Lions Club, recognizing an obvious community need, has started a campaign to obtain a more adequate post office for Daly City.

Letters have been written to Postmaster William McCarthy of San Francisco and to Congressman Jack Anderson.

The attention of the postmaster and the congressman have been called to the very small lobby and the few service windows in the present post office. With a growing community the situation is growing more unsatisfactory daily.

The local Lions Club will ask the support and cooperation of other community organizations to bring about a satisfactory solution to this problem.

Some have suggested that one properly located post office might serve both Daly City and Colma. Others believe that each business section is sufficient to warrant a separate branch.

It is understood that the present lease on the building now housing the Daly City post office expires in about a year. It is hoped that arrangements can be made for more adequate facilities by the expiration date of the lease.

## THE RECORD STAFF MOVES INTO THEIR NEW BUSINESS OFFICE

The DALY CITY RECORD announces with much pride that our business and editorial offices have been removed to main floor quarters.

The new offices, which have been in the process of remodeling and redecorating for the past two months afford adequate space to handle the growing business of the RECORD.

We still have electricians and telephone men working, and an occasional painter and janitor underfoot, but business and news are proceeding as usual within the aqua-tinted walls of the new domain.

The entire staff is delighted to leave the downstairs office which for twelve years has been the scene of all production of news, job printing and advertising and has become a little crowded as time rolled by and subscirbers and customers increased.

You are invited to call on us in the near future to inspect the offices. We now even have one in which there is quiet and some privacy. The latter is always empty. Somehow people in newspaper business can't concentrate in a silent room.

This move goes hand in hand with the extensive addition which was made to the print shop last year when we installed a Goss Comet press to increase our efficiency. Naturally our increase in service to you came before our increase in personal comfort.

Other changes will include the further enlargement of the print shop which will take over our old business office as soon as the required alterations are made.

## City Council Awards Contract

Contract for street improvement in Hillside Manor was awarded to Sterling Building Co. on a bid of $32,989.78 by city council members last night. Other bid offered was by Fay Improvement Co. for $39,174.67.

Councilmen present, McHugh, Dennis and Battye, voted unanimously on issues settled during the meeting. Councilmen Gaggero and Craig were again absent.

A permit was granted Pacific T. & T. to place a sidewalk distribution system along the west side of Mission street between Knowles avenue and Theta street.

Action is being taken on proceedings of condemnation against a house at 77 Parkview avenue.

Oliver J. Nolte was replaced on the Civil Service Board of Review by John C. Degliantoni after Nolte presented a resignation.

A program for the expenditure of the gas tax money allocated the city was approved. Plans include maintenance of major streets.

City and County of San Francisco were given a permit to install a pipeline in Dunks and 90th streets.

Stop signs are to be installed at Knowles avenue at Miriam street and at Vista Grande avenue at Santa Barbara avenue.

The council approved a tentative map of Whittier Terrace a resubdivision of a portion of West End Homestead.

Mrs. Virginia Lagomarsino was named a member of the recreation committee.

### Colma Firemen's Club To Give Dance Saturday

Colma Firemen's Social Club is giving its annual dance tomorrow night (Saturday) in Colombo hall. Gino Paoli, Chairman, announced music would be furnished by Johnny Dell's orchestra. Members of the fire department are selling tickets.

## Woodrow Wilson PTA Planning To Entertain Fathers

Fathers Night will be held in Jefferson High school at 7:30 p. m. on October 21 by Woodrow Wilson PTA. Final plans made at an executive board meeting held October 14 include presentation of the colors and salute to the flag by Girl Scouts and Brownies.

Entertainment will be furnished by Mrs. Ellen Stones dancing class. Refreshments will be served.

A special business meeting will be held in Woodrow Wilson school October 21 at 2 p. m.

Mrs. Ruth Emerson, vice president, will be in charge of the Teachers' Tea to be held November 10. Other members of the committee are Mrs. Mildred White, Mrs. Hilda Heagney, Mrs. Angie Thur, Mrs. Eleanor Cameron, Mrs. Irene Williams and Mrs. Wilma Riley.

First "Hot Dog Sale" for the school children was held September 25. Next sale will be October 30. Mrs. Irene Williams is chairman, and Mrs. Wilma Riley and Mrs. Eleanor Cameron are in charge of the sales.

Mrs. Marie Miller, president, attended the Presidents' Board in Burlingame High school October 13. For the past three weeks Mrs. Miller has been attending a parliamentarian class in Peninsula Aveschool, San Mateo.

Mrs. Louis Darnell, who has resigned from the board was surprised with a gift from the board members.

## D. C. RECREATION COMMISSION LAUDED

As chairman of the Daly City Recreation Committee, Mayor Melford Battye received commendation from office of the district superintendent of Jefferson School district for the splendid recreation program held here. Printed in its entirety is the letter:

Melford D. Battye, Chairman
Daly City Recreation Commission
City Hall
Daly City, California
Dear Mr. Battye:

The trustees of the Jefferson School District have asked me to write you to express their appreciation of the recreation program put on by Daly City during the summer.

We wish to especially commend Mr. Rose for his excellent planning. We feel that the success of the program was due in a large part to his planning and supervision.

Very truly yours,
Signed:
R. L. Crane, Jr.
District Superintendent

## Lions Sponsor Radio Show

Daly City Lions Club announces their participation in the Lions International nation-wide radio hook-up of Quiz Kids program for Child Health Week on October 26.

The show featuring Lions' activities in support of Child Health Week and the long-time favorites, Quiz Kids, may be heard at 1 p. m. over station KPO.

### Record Rack Sold

The Record Rack, only music store in Daly City, was sold to Ed Byrne, proprietor of Byrne Radio Store, on October 13. The shop, located in 6264 Mission street, was the property of Don Day, who is moving with his family to Marysville, where he will go into the Fred Spiller Insurance Company as a partner.

## STYLED IN CALIFORNIA

California's booming clothing industry is making Californians more style conscious and the world more conscious of California styles.

Today our state is becoming one of the truly great apparel centers of the world. It already ranks first in the field of sportwear and is one of the biggest manufacturers of women's and children's clothing. The present annual sales volume is close to the half billion mark and from all indications it will be doubled before very long.

California clothes—their style, color and comfort—are a part of the California way of life. No doubt that is why they are in ever-increasing demand from one end of the globe to the other.

This year California apparel designers are even invading Paris with a fashion revue of their own. The display promises to rank with the best the French have to offer.

Some day California will be the undisputed fashion center of the world.

## SHOP EARLY FOR CHRISTMAS

It may seem that Christmas is yet a long way off but you can be sure it will be here before you know it.

So, we recommend that you do your Christmas shopping early. And right now isn't any too early. There are still shortages in a good many lines. If you wait until the last minute, or even until the last few weeks, you may find that what you want has been taken by someone else who got there first. That's not a happy situation to be in.

Lack of cash is not likely to slow down this year's buying. Payrolls are high and a lot of money has been saved especially for Christmas. Bank of America, for instance, will mail out $15½ million in Christmas Club funds on December 1 to 150,000 wise persons who put aside a little each week during the year.

At any rate, the ample money available means that the demand for goods may exceed the supply. That's why you'll be playing it safe if you do your shopping early. What's more, your local merchants will appreciate it since it will make the December shopping period less hectic for them. And it will be easier on everybody's nerves — especially your own.

## HOT STOVE LEAGUE

Now that the World Series of 1947 is a thing of the past and the horsehide hiatus is with us the "Hot Stove League" fans are getting ready to take over.

They'll have plenty to talk about. The whacky World Series which kicked records all over Brooklyn and the Bronx would be enough in itself to keep them going until spring. But there are lots of other things.

For instance, the failure of the Cardinals and Red Sox to come up to pre-season expectations; the tremendous homerun record of the New York Giants; the outstanding showing of rookie Jackie Robinson, the first Negro major leaguer in modern times; the pitching of another rookie Larry Jansen who topped twirlers in both leagues; the 16-game winning streak of Ewell Blackwell; the real reason for the resignation of fiery Larry McPhail as president of the New York Yankees, and so on.

Probably the two things that will be most talked about however, are Lavagetto's double in the ninth inning of the fourth World Series game that robbed Bevin of a no-hitter and won the game for the Dodgers, and the unbelievable catch by Gionfriddo of DiMaggio's 415-foot "home run" that saved the sixth game of the Series for "Dem Bums."

Well, the verbal baseball season should be as hot as the hot stoves around which it will be "played."

## SAAR—WESTWARD

The people of the Saar, that rich basin lying between France and Germany, have turned their eyes westward, and have voted to make their territory an autonomous part of France. Prior to World War I the Saar was part of Germany but it was taken away by the Versailles Treaty. Then in 1935 a plebiscite was held to determine if the people wished to return to German rule or become part of France. With Hitler pulling out all the stops on his propaganda machine the Saarlanders went back to the Reich by a 9-to-1 margin. But in the recent election the balloting was even heavier in favor of tieing up with France. Of course, this time there was no Germany to go back to, but neither was there a Hitler to put on the pressure for a pro-German vote. Although union with France may have seemed like the only logical step to most Saarlanders they have undoubtedly come to the conclusion anyway that they'll be a lot better off in the long run with France than with Germany.

# COMMUNITY CHEST OFFICIALS STRESS SCOPE OF AGENCY

Officials of San Mateo county's 1947 Community Chest drive say that a great many persons do not seem to realize that their contributions to the chest are intended to meet the needs of a dozen different charitable and character-building agencies.

Speaking frankly, they say that some folks are making mighty small contributions, apparently in the belief that the chest is a single charitable organization.

"This, of course, is not the case. The chest is actually a money-saving operation intended to eliminate duplication of expense and effort in making separate fund drives for each of the worthy charities and other agencies which are allied together in the chest," said James J. Kehoe, county campaign chairman.

"When a friendly volunteer worker for the chest comes to your door or office he or she is carrying out the intention of the chest to relieve you from the pleas of a dozen different solicitors," continued Kehoe.

A. J. Gaggero, district chairman for Daly City, said, "Those who are giving of their own time and money to make the 1947 Community Chest a success are asking that everyone remember that the chest is a unification of what otherwise would be many calls upon the public generosity.

"They ask fo ra really generous response in order to meet the minimum needs of the agencies the chest is representing," continued Gaggero.

"San Mateo County Blood Bank; Boy Scouts of America; Girl Scouts — Burlingame - San Mateo - Hillsborough Council, Sequoia Council, Daly City - Colma Council, San Bruno - Lomita Park Council, Millbrae Council; San Mateo Preventorium; Y.M.C.A.—Peninsula Branch; Y.M.C.A.—Sequoia Branch; San Mateo County Catholic Social Service; Council of Social Agencies."

## GIRL SCOUTS INVITE MOTHERS

Report of Girl Scout Troop No. 5 meeting by Scribe Jacqueline Mullen:

"The president called the meeting to order and Barbara Dale took dues.

"Then we talked about the Brownie Flyups (Brownies about to enter Girl Scouts), and decided that Barbara Dale and Alice Quickert were to escort the girls who were coming into our troop.

"Next week the leader of our troop, Mrs. Edna Mullen, is going to give out the leather work badges and some other badges. She told us to invite our mothers.

"Lois Kramer, Peggy Robertson, Margaret Michelson and Alice Quickert are to make cookies and we're going to have hot chocolate and cookies for our mothers.

"Today we started on design badges."

## Seven Join OLPH Mothers Club

New members of the Mothers Club of Our Lady of Perpetual Help school are Mesdames George Caligari, Viallta, Smith, Lavorini, Charles Barbara, Hazel Sullivan and Simmons.

They were introduced at a meeting held Friday, October 10, which, in spite of the inclement weather, drew a crowd of 70.

After the business meeting the October social committee, the eighth grade mothers, gave a Hallowe'en party. Refreshments were served.

## BENEFIT CARD PARTY AT ST. FINN BARR

A benefit card party will be held in St. Finn Barr church, Hearst avenue and Edna street, on October 24 at 8:30 p. m. It is sponsored by the "Sacred Heart" booth for the bazaar. Mrs. Joseph P. Mouille is chairman.

Fall Festival of the church will be held October 31 and November 1 and 2. On Sunday, November 2, a turkey dinner will be served from 1 to 7 p. m.

## EPIPHANY PARISH TO GIVE WHIST PARTY

Epiphany Parish will hold a whist party in the church hall on November 5 at 8:15 p. m. The public is invited. Holy Rosary Sodality will give away a hope chest during the evening.

## Fiesta Days

Fiesta Days Celebration will be held at San Rafael, Marin county, October 17-19, according to the National Automobile Club. The three day celebration will feature a Coronation Ball, parades, horse show, and an historical pageant of Marin pioneer days.

**Trachoma Rare**

In the United States and other progressive countries, trachoma, commonly known as granulated eye-lids, is becoming rare.

## Governor Warren Sponsors Hiring Of Handicapped

Governor Warren reminded employers, in connection with National Employ the Physically Handicapped week, that the State of California has taken all of the risk out of hiring disabled workers.

The state's little-publicized Second Injury Law, passed by the Legislature in 1945, exempts employers from any additional responsibility under workmen's compensation insurance in case a physically handicapped worker is further disabled while on the job.

Statistics, says the Governor's committee, show physically handicapped workers are actually less likely to have accidents than other employees. Statistics also show there is less absenteeism, tardiness and turnover than among other workers.

## Steering Mechanism

"Casters under a piece of furniture swing around into the line of direction in which the article is being pushed," points out L. G. Evans, general service manager for National Automobile Club. "That is exactly what happens when you turn a corner in your car. If you will relax your grip on the wheel and speed up slightly, the wheels will automatically swing into a straight line. And that is where the term 'caster effect' comes into the vernacular of steering mechanisms."

# Chairman Sets Record Goal For Xmas Seals Sale

Nationally known as a leader in the fight against Tuberculosis, Dr. Harry C. Warren of Atherton this week promptly announced that an all-time record goal for the selling of $38,500 in Tuberculosis Christmas Seals has been set for San Mateo county.

His announcement of the record seal sale quota followed closely upon the heels of his appointment to the post of general chairman of the local 1947 Christmas Seal sales campaign by directors of the San Mateo County Tuberculosis and Health Association.

Stressing the fact that the new record quota sought by the association is the absolute minimum amount for its needs, Dr. Warren stated:

"The selling of the traditional, cheerful Christmas Seals is the only method the association has for raising funds to operate the free chest X-ray program for the county's thousands of school children and for all the other services the association has carried on so helpfully for so many years.

"Due to policy of the National Tuberculosis Association, our local association cannot be a part of the meritorious Community Chest campaign now underway. We must rely upon our own efforts and the generosity of those who, year after year, have aided by purchasing and using the Tuberculosis Christmas Seals.

"Because of the enlarged program of the association and the inclusion of service to veterans, the need in 1947 is the greatest in local history. I am hopeful that many of the old friends of our cause will be extra generous this year."

### Certificate of Co-Partners Doing Business Under A Fictitious Name

We, the undersigned, do hereby certify that we are co-partners transacting business in the City of Daly City, County of San Mateo, State of California, under a fictitious name, not showing the names of the persons interested as co-partners in such business, which said name and style is as follows:

"COMMERCIAL CONSTRUCTION COMPANY"

The premises where said business is being conducted at the present time is 562 Winchester Street, Daly City, California.

That the names and place of residence of said partners are as follows, to-wit:

VIRGIL E. ASBELL, 18 Fernhill Avenue, Ross, California.

LOUIS J. CANEPA, 562 Winchester Street, Daly City, California.

VIRGIL E. ASBELL
LOUIS J. CANEPA

STATE OF CALIFORNIA )
COUNTY OF ) ss.
SAN FRANCISCO )

On this 13th day of September in the year one thousand nine hundred and forty-seven before me John J. Lagorio, a Notary Public in and for said County and State, residing therein, duly commissioned and sworn, personally appeared VIRGIL E. ASBELL and LOUIS J. CANEPA known to me to be the persons described in, whose names are subscribed to and who executed the within instrument, and acknowledged that they executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal at my office in said County, the day and year in this Certificate first above written.

My Commission Expires October 14, 1950.

JOHN J. LAGORIO
Notary Public in and for said County and State

### Order To Show Cause

**No. 44140, Dept. No. 1**

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Application of DONALD E. REISS and GILBERT A. REISS; for Change of Name to DONALD E. REESE and GILBERT A. REESE

Whereas, DONALD E. REISS and GILBERT A. REISS have filed their petition with the Clerk of this Court for permission to change their said names to DONALD E. REESE and GILBERT A. REESE:

NOW, THEREFORE, it is hereby ordered that all persons interested in the aforesaid matter be and appear at Department Number One of the said Superior Court in the Court House, in the City of Redwood, County of San Mateo, State of California, on the 27th day of October, 1947, at the hour of 10:00 o'clock in the forenoon of said day, then and there to show cause, if any they have, why said petition for change of name should not be granted.

It is further ordered that a copy of this order to show cause be published in Daly City Record, a newspaper of general circulation published in said County of San Mateo, for four successive weeks next preceding the date set for the hearing thereof.

Dated: September 25, 1947.

### SUMMONS

**No. 43855**

**Action brought in the Superior Court of the State of California in and for the County of San Mateo, and the Complaint filed in the office of the County Clerk of said County and State**

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

O. C. BURKHART and GERTRUDE N. BURKHART, his wife Plaintiffs, vs. ETHEL B. SMITH, GUY TYSON SLAUGHTER, CHARLES GEORGE SEAGER, FIRST DOE, SECOND DOE and THIRD DOE, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

ETHEL B. SMITH, GUY TYSON SLAUGHTER, CHARLES GEORGE SEAGER, First Doe, Second Doe and Third Doe, also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint adverse to Plaintiffs' ownership, or any cloud upon Plaintiffs' title thereto, DEFENDANTS.

YOU ARE HEREBY DIRECTED to appear and answer the Complaint in an action entitled as above brought against you in the Superior Court of the State of California, in and for the County of San Mateo, within ten days after service on you of this Summons — if served within this County; or within thirty days if served elsewhere.

That said action is brought to obtain a judgment and decree quieting Plaintiffs' title to the following described real property, situated in the County of San Mateo, State of California, and to determine all adverse claims thereon, and particularly described as follows, to wit:

Lots 22, 23 and 24 in Block 32 and Lots 28, 29 and 30 in Block 31, as designated on the map entitled "AMENDED AND SUPPLEMENTAL MAP OF MONTARA SAN MATEO COUNTY CAL.", which map was filed in the office of the Recorder of the County of San Mateo, State of California, on October 16, 1907 in Book 5 of Maps at page 25.

also for general relief, as will fully appear in the Complaint on file, to which special reference is hereby made.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiffs will apply to the Court for the relief demanded in the Complaint.

Given under my hand and the seal of the Superior Court at the County of San Mateo, State of California, this 14th day of August, A. D., 1947.

## San Mateo J. C. Costume Ball

"Rue de Caite," the big costume ball to be given at the San Mateo Junior College tonight (Friday) at Coyote Point, will feature fine music, beautiful costumes, flowers for the girls, and free refreshments. The Art Club of the college is sponsoring the dance, and will arrange a scholarship for some student from some of the profits. Special entertainment has also been arranged by the club.

Astronomy students of the college recently visited the Lick Observatory on top of Mt. Hamilton. There they were given use of the instruments and had some fine views of the moon, Jupiter, and other subjects of interest in the heavens.

Saturday the college football team will travel to Sacramento for a conference football game. The Mateans were defeated, 14-7, by Stockton jaysee last Saturday on the Burlingame High School field.

## Junior College Mothers Club

Mrs. George Bruns presided at the Junior College Mothers Club meeting on Thursday when it met at the Coyote Point campus. Over a hundred mothers were present but due to the rainy weather the proposed tour of the campus was not possible. The meeting was held in the beautiful home formerly occupied by the commander of the Merchant Marine Cadet school.

Dean Charles S. Morris gave an interesting history of the campus as it was used by the cadet school and its present use as part of the J. C. campus. Mrs. C. S. Morris told about the work the members of the Mothers Club did this summer in transforming the living quarters of the students by putting up new curtains and drapes, and making the place more homelike. This work will be continued this fall.

Jack Swaryck, student body president, was introduced and he thanked the club for its interest in student welfare. Dean Morris presented a number of the faculty members present.

Miss Ada Beveridge of the college faculty has offered to give a play reading, open to the public, as the money raising project of the unit, on Thursday afternoon, December 4, at the Baldwin street auditorium.

Mrs. Lee H. Bissett, who is general chairman of the undertaking, announced Miss Beveridge will read the play, "Dear Octopus," by Dody Smith, a comedy on English life. Miss Beveridge has won acclaim in the past for her book reviews and reading of plays and has delighted her audiences with each presentation.

Dean of the Women, Dr. Elizabeth Balderson, and her hospitality committee served home made cookies and punch at the close of the meeting. One hundred and sixty mothers and patrons have joined the Mothers' Club, which is a unit of the Parent Teachers Association.

Memberships from all over California and as far away as Oregon have come in. Mrs. Bruns is anxious to have members from all over the county attend meetings and help plan for the welfare of the unit. Hereafter, meetings will be held on the first Thursday of each month, which is the regular meeting date.

## Presbyterian Church To Hold Bazaar

Women of the Grace Presbyterian church are holding the annual bazaar on November 14 at Masonic hall, 17 Hillcrest drive.

Items for sale include fancy work, baby clothes, home made cakes, pies and candies, dolls and miscellaneous handmade articles.

There will be no admission charge. The public is invited. Proceeds are to go to the new church building fund.

## Automobile Repair Garages

There are 52,000 automobile repair garages in the United States, according to the National Automobile Club.

## General Pershing PTA Activities

The Thread and Needle Club of the General Pershing PTA met on Friday, October 10, at 1:30 p. m. in the home of Mrs. Jack Caine. Chairman of the group, Mrs. Abe Gensel, reported work on articles for the Country Store to be held later this fall is progressing very satisfactorily.

A large number of hand made items are completed, including embroidered tea towel sets, aprons, sweaters, pajamas, blouses, and shirts. A good quantity of home canned fruits, vegetables, and preserves have been pledged.

The next meeting of the Thread and Needle Club will be on Friday, October 24.

The executive board held a special meeting on the evening of Friday, October 10, in the home of Mrs. Lyal Ingersoll. The purpose of the meeting was to discuss revision of the by-laws of the unit.

The proposed revision was completed, and read before the special meeting. It will be read before the next regular meeting of the executive board on Thursday, October 23, and again before the regular meeting o fthe General Pershing PTA unit on Tuesday, November 4, at which time the revision will be voted upon.

## D. C. BALL CLUB LOOKS LIKE WINNER

Daly City Ball Club cleaned up the Machinists No. 68 last Sunday with a 20 to nothing score. Pitcher Lefty Hazel established another record at Marchbank park with his no-hit, no-run game, first in the park's history.

This is the second victory for the local club in the opening games of the AA League, which is a good sign, since they have only played two games to date.

Hazel also led the club in hitting by getting five for six. Harry Krohn caught the slants of Hazel, who is a master behind the plate. Errorless playing by the rest of the club made it a sure-fire triumph.

This Sunday Daly City will be out there slugging for their third AA win from Guadalupe Parlor. The game will be played at 2:30 p. m. in Marchbank park.

Daly Cityites are asked to get out to see some fine ballplaying stands a good chance of winning the league title.

The boys, all of them war veterans, are strictly on their own in the matter of supporting the team. Formerly sponsored by Daly City merchants, they now receive no sponsorship from any source.

Only funds which keep them going are the small collections taken at the park. We owe them at least the honor of recognizing their games in the home park — especially in view of the quality of their playing.

## LETTER OF THANKS

TO THE DALY CITY FIRE AND POLICE DEPARTMENTS:

We wish to thank the members of the Daly City Fire and Police Departments for their splendid cooperation in keeping the fire of October 10 on our properties down to a minimum. May we express our feelings of praise for the efficient personnel and excellent teamwork of both departments.

**Signed:**
Mr. and Mrs. A. Vireno

# NEWS FROM THE SCHOOLS

## JEFFERSON

To be able to attend school has been the ambition of many of our children for nearly a year. They have finally reached the proper age and are now enrolled in Jefferson Kindergarten, fifty-seven of them. To be with so many other children every day and to learn all of the mysteries of school life is an experience which is preparing them to live in and be a part of our Democracy. At present the room is a riot of jack-o-lanterns, witches and black cats. Halloween songs and stories are heard every day. It is truly a children's holiday.

Relative to the first grade unit "The Home" the pupils enjoyed a visual aid program. Many different kinds of homes were shown in lantern sluides. Comparisons and discussions were made afterwards by the class. The result of this enthusiastic lesson resulted in many interesting drawings by Carolyn Dennis, Edmond Cyr, Susan Damon, Gary Cowden and others.

On Friday the boys and girls in the low second and high first are dramatising a story and a poem from their readers for the class. The "Along The Way" group is doing Mrs. Red Bird's Feather. Joyce Barnum is Mrs. Red Bird, James Stone is the rabbit and Leo Kusber the frog. The "Good Stories" group is reading a poem, "The Frog and the Red Bird," to the class.

The second grade children have been collecting pictures for their flower booklets. They are now ready to assemble flower shops and study the trade of the florist. Through this study the children will learn how to apply their arithmetic to daiily life experiences; improve in their word-sight vocabulary; dramatize a real-life situation; and draw and assemble flowers.

## WOODROW WILSON

Students of the second grade are studying and making "Air Age" maps. Air Age geography has brought the need for a new type of projection which can be centered at any spot on the globe and will show true distance outward from this center. These new maps are called azimuthal equidistant projections.

The sixth and seventh grades are studying the explorers and their discoveries in the New World. They observed Columbus Day by reading the poem, "Sail On," and by the audience-reading of the play, "The Return of Columbus."

The high fifth and low sixth classes are studying the Vikings. The class is coloring viking ships and will put them in folders. On Columbus Day the class discussed the travels of Columbus, his trials and how he overcame them and found the way to the new world.

The fifth grade children are busy making designs. They are going to do some textile paintings so they will learn how patterns are put on cotton materials. They are much interested in the new project.

Boys and girls in the fourth grade are making social studies notebooks on their unit of work, "California." The notebook pages are summaries of information and topics learned, with appropriate illustrations.

Members of the low fourth grade are making a large map of California. The outline was made with the help of a slide machine. Various class members took turns at the project. The map is now being colored and place names inserted.

Low third grade is studying cavemen. Interest is shown in the new stone age, especially in regard to how man built his permanent home.

## CROCKER

The traditional inaugural assembly of the Crocker student body was held recently at an outdoor assembly on the school grounds. New Student Body President, Craig Coffee, after being introduced to the school, led them in the Pledge of Allegiance. Following this, President Coffee introduced his supporting officers, as foilows: Vice-President Floyd Gonella, Secretary Noreen Lack, Treasurer Dianne Hale, School Representatives Carolyn Salogga and Eugene Lorenzo, Sgts.-At-Arms Evelyn Madriago and Don Lewis.

The Executive Board of the Student Body is composed of room representatives as well as the officers of the student body. The following room representatives were introduced: Room 6, Anita Holcomb and Bob Murchison; Room 5, Jean Eliasen and James Dowell; Room 4, Henrietta Myers and Edward Haussler; Room 3, Virginia Chan and George Spoulos; Room 2, Carolyn Saumers and Robert Pool.

Periodic meetings are called by the president to discuss fundamentals necessary for a good school and class situation. The school constitution is in evidence in the hall of the school, as well as in every classroom, and it is a serious offense if one of the student body fails to adhere to the articles set forth in the constitution, which was adopted by the executive board.

Low eighth—Marion Newcomb and Betty Marsh went to Lake Anza in Berkeley on October 4.

On the October 4 week end, Marianne Costello and her parents visited in Butte Meadows.

The students have started their unit "Travel by Air." The name of the unit is written in yellow cord at the top of the hall bulletin board. There are also pictures depicting early days of aviation back to those Greek myths which forecast air locomotion, all of which were drawn by the students.

Low and high seventh--Barbara Anderson is moving to South San Francisco next week.

Low and high fifth—Students of this class welcomed Michael Yoder to their numbers on October 2.

## *Pedestrians*

"Wait on the curb until the 'go' signal permits safe crossing of the intersection," urges Bert Stewart jr., public safety director for National Automobile Club. "Walkers who venture into the street before the signal changes are taking a long chance to save a little time."

# FIRE FIGHTERS FACTS

By Mel Hanson
Publicity Chairman

**Tragedy Strikes In Daly City**

Fire Prevention Week was almost over without a single fire call, but our good fortune ended Friday morning, October 10 at 2:51 a. m. A fire call was placed at box 15 and companies 1-2-4 responded on the first alarm and company 6 from the southern end of Daly City responded on the second alarm.

Fire operations were directed by Fire Chief Kennedy, Asst. Chief Bodien and Battalion Chief Benassini. Thirty - one firemen battled the blaze. The fire was brought under control about 3:25 a. m., but it wasn't until 5:50 a. m. that the last piece of fire fighting equipment was ordered back to the station by Chief Kennedy.

The fire was confined mainly to the basement of the Casino Club, although some fire did come up through and between the walls, considerable damage was done to the drapes and furniture by smoke.

If it were not for the prompt action of a passer-by, the fire would have been more serious.

Smoke poured from the Casino Club and engulfed the Tanforan Flower Shop Building where the Henry Bergh family are residents.

With smoke, fear and excitement Mrs. Bergh suffered a heart attack and was removed to the Junipero Serra Hospital by Police Officer Linhares. Mrs. Bergh was pronounced dead on arrival at the hospital.

Damage to the Tanforan Flower Shop was slight in comparison to the Casino Club; most damage was caused by smoke.

Here is the sixth installment of the check list provided by the Daly City Fire Department to insure you a safe home. A home safe from the menace of fire.

31. Precautions for heaters and electric circuits in your bath room. Be careful, personally, of possible shock hazard if you touch a metal electric switch, outlet or appliance while in your bath water or touching a water faucet or radiator.

32. Fireproof material should be on the walls and ceilings near the heating plant. Floor also should be fireproof material.

33. Pipe entering chimney should fit tightly and have a metal collar. Pipe should be solid and without holes or cracks that would emit sparks.

34. Papers, rubbish and litter anywhere in cellar, especially near the furnace, form a dangerous hazard.

35. Use metal barrels for ashes, wood is hazardous.

36. Paints, turpentine and painting materials should not be near the furnace.

In reference to artice 31 in the check list above you will note we have taken into consideration the dangers of electric appliances in the bath room. As the Fire Fighter Facts were being written this week, I read the following article in the evening newspaper:

**Woman In Bath Tub Killed by Shock**

Elgin, Ill., Oct. 13—Coroner L. Victor Peterson today attributed the death of Mrs. Ruth Beiber, 29, of Elgin to electrocution when her portable radio fell into the bath tub as she was taking a bath yesterday.

**You see it can and does happen!**

# JEFFERSON UNION HI NEWS

**Jefferson Plants Menlo Acorns 26-6**

Last Friday Menlo High was butchered by Jefferson's mighty eleven, 26-6. Played on our own field, this proved to be one of Jefferson's most spectacular games. Menlo's "short-punt" formation was no match for Jefferson's fast and deceptive "T" line.

**First Quarter**

Ted Van Kirk ran for the first touchdown and extra point. The gridiron, being wet and muddy from persistant rain, made it difficult to throw many passes.

**Second Quarter**

Don Mossi made a completed pass to Louis De Salvatore, which made the score 13-0. Jefferson used its reserves during the second, third and fourth quarters and scored twice again.

**Third Quarter**

During the third quarter Monte Robinson made a long run down the field for the third touchdown. Robinson also made two more runs which would have been touchdowns but were called back because of penalties.

**Fourth Quarter**

Ray Scettrini went over for the last Jefferson touchdown of the game. Menlo pulled a counter-attack on the Indians and scored one touchdown near the final gun. Menlo Prep played a good clean game, which shows they are good sports. Jeff's forward wall was outstanding all through the game.

**League Play Opens Against Burlingame**

Today our mighty Jefferson eleven is going out to defeat Burlingame. This year the Panthers are under the supervision of a new coach, Ted Forbes. He has played ball at Sacramento J. C. and U.C.-L.A. He has given the Panthers the "T" formation this year, and they have speed and deception in the backfield, which should match Jefferson's. The team has been built around quarterback Walt Ackemann, and the backfield is rounded out with Whitney at R.H., Jones at full, and Redig holding down left half position. Burlingame has eleven lettermen coming back to play ball this year, even though a few are second string. Altogether, there are 50 fellows out for football at Burlingame. The Panthers fullback, Jones, is one of the hard hitting boys who will bear watching today. Jeff's backfield is going to have a time watching Sullivan, who plays left end. He's fast and is usually the receiver of most of the pass plays.

**New Band Uniforms**

Jeff has really gone to it. Now that our band has reached a more presentable size the members have been rewarded with new uniforms. The ensembles include white slacks, white tops, and purple capes. This spirited group makes a very striking picture on the field.

**Happy Holly Program**

On Monday, October 20, the students of Jefferson high are going to have a "Happy Holly" assembly put on through the National School Assemblies.

Oliver Baugier, noted humorist and character artist, is coming in his one man show. He also impersonates.

The scenes from his "One-Man Theater" will be: Bugle Bungling, Cowboy Opera, Evolution of a Nervous Wreck, Photographer's Nightmare, Speed Cop Blues, Today's News, Movie Menaces, Hindu Hokum.

**"Quarterback Sneak"**

The first dance of the season is to be held on October 24. Bert Whiting will play. Tickets go on sale today. Prices are 50c with Jefferson student body card, 75c without (whish includes alumni and outsiders).

## *Pro America Group Conference*

Pro-America is holding a regional conference on Tuesday, October 21, at Peninsula Golf and Country Club, San Mateo.

Members may make reservations with Mrs. Augustus Taylor jr., 207 El Cerrito, San Mateo, or Mrs. Hugh Stewart, 1212 Whipple road, Redwood City.

# Red Cross Needs Workers

San Mateo County Red Cross groups urgently need more members to assist in Gray Lady Corps recreational work which is aimed to maintain the morale of hospitalized service personnel. Also needed are members for the Arts and Skills Corps to teach occupational therapy to the permanently disabled veteran.

If you feel you can be of any help to the disabled veterans, contact Mrs. William L. Holloway, 328 Edgewood road, San Mateo. San Mateo 4-3453.

# El Carmelo Parlor Fetes Member

El Carmelo Parlor No. 181, Native Daughters of the Golden West, recently honored Grand Trustee Dorothy Donofrio at a reception. On the evening of October 1, Native Daughters and friends gathered in the Blue Room of Masonic hall in Daly City to extend congratulations to this member of El Carmelo Parlor upon her re-election to the office of grand trustee.

Shirley Robb, accompanied at the piano by organist Frances Simas, sang a medley of the honored guest's favorite songs. These selections, and a piano solo by Inez Carolla of Bonita Parlor No. 10, Redwood City, were the musical highlights of the evening.

After speaking to the group, Mrs. Donofrio was presented with a sterling gift from fellow members in El Carmelo Parlor.

Past Grand President Evelyn I. Carlson, a resident of San Mateo county, and Past Grand Presidents Emily E. Ryan and Loretta M. Cameron, Grand Trustees Jewel C. McSweeney and Leslye A. Hicks, Grand Organist Frances Simas, Grand Inside Sentinel Ruth Trousdale, Supervising District Deputy Grand President of San Mateo County Lillie Locatelli, and Dolores Bozzo, deputy grand president to El Carmelo Parlor were among the many guests who adjourned to the banquet hall.

In the banquet hall, the main table was covered with a white and silver cloth and set in yellow. A large bowl of ferns and yellow marigolds, which was surrounded by silver candlesticks holding yellow candles, formed the centerpiece for this table. About the hall were small tables with white cloths and set in pink, green or blue. A candle of the same color as the setting formed the centerpieces for these tables. Refreshments of pinwheel sandwiches, cake and coffee were served by members of the committee. Chairman Lucille Wohler, Co-chairman Christine Hulme, and Marjorie Baker, Anne Biggio, Thelma Ferretti, Yvonne Hulme, Hattie Kelly and Dorothy Linehan served as members of the reception committee.

**Saving Soap**

To save soap at the wash bench, lay soap on a big, stiff-bristled scrub brush, turned bristles-side up.

**Rimski-Korsakov a Sailor**

Rimski-Korsakov, the composer, was a sailor on a Russian vessel that docked at New York in 1864.

# NOTES FOR SPORTSMEN

**An airplane, four patrol cars equipped with radio, and sixteen Fish and Game wardens, spread consternation among "sooners" who jumped-the-gun October 1 at the opening of the dove season in Imperial county.**

**Two hours before the official twelve-noon opening time, 23 "sooners" had been arrested. Ten of the violators were taken as a result of plane-to-car communications, with Flying Game Warden Al Reese directing patrol cars along roads and lanes leading to violators.**

**Emil J. N. Ott jr., executive director, Division of Fish and Fame, said the radio demonstration introduced in the southland patrol practices which are being developed rapidly in the northern part of the state.**

**Dove shooting was "spotty," because large acreage in Imperial Valley was planted to flax this year on areas formerly used by doves for feeding grounds.**

**Doves were abundant in Mexico, across the border, where the season on doves, pheasants and ducks opened October 1.**

Salmon fishing has been exceptionally good recently along the Marin county shoreline between Stinson Beach and the Big Lagoon, with limit catches of fish ranging up to 40 pounds being the rule, with few exceptions.

The river runs are late this year, according to the Bureau of Marine Fisheries, California Division of Fish and Game, and although fair catches have been reported, fishing is not as good at present on the Sacramento - San Joaquin system as it is expected to be later.

Large salmon are being taken in abundance by sports fishermen in Humboldt Bay and Eel River fishing is excellent, with 45 to 50-pound salmon being taken as far up the river as Scotia. Plenty of large steelhead also are reported to be running in the Eel.

The commercial salmon fishing season, which ended recently, resulted in better - than - average catches on the Sacramento River, it was reported. Although rumors were current that the commercial season was extended two weeks, this is not the case, according to Richard S. Croker, bureau chief, and patrol boats are plying the river after dark in search of poachers.

**A contribution of the California Division of Fish and Game toward the President Truman Program for conserving grain, is resulting in an earlier-than-usual release this season of some 50,000 pheasants from the state game farms, Carl Van Ornum, supervisor of game farms, reports.**

**The freed pheasants, scratching for themselves, no longer need their customary grain ration which, at $5 per sack, was denting the game farm food budget.**

**The pheasant hatch, both at game farms and in the field was fairly good this year and fair hunting is expected.**

**The birds are more widely spread this season, and the pheasant population in many places, including Merced and Imperial Valley areas, apparently is larger this year.**

Early flights of ducks foretell good shooting during the migratory wildfowl season which opens October 21, the Bureau of Game Conservation, California Division of Fish and Game, reports.

Many ducks, with Sprig predominating, already are resting on South San Francisco Bay and sizeable flocks have arrived at the Suisun and Los Banos Refuges, Tule Lake and some parts of Imperial Valley. The arrival of a flight of approximately 150,000 Sprig was reported from Imperial Valley last week.

Reports from over the state indicate that ducks, in varying numbers, are congregating wherever there is water.

A few early geese also are arriving, with a fairly heavy concentration already on hand at Tule Lake.

**If and when weather and other conditions permit, game trapping crews of the Bureau of Game Conservation, California Division of Fish and Game, will capture antelope and transport the animals to areas in Mono and Inyo counties.**

**Although the California Division of Fish and Game has permission to take 200 head of antelope from the Sheldon Federal Wildlife Refuge, located in Western Nevada and Southern Oregon, recent surveys indicate few animals now are ranging in the refuge. Later in the season the antelope may concentrate in places where trapping operations can be conducted.**

**State trappers plan to take surplus animals from the Sheldon Refuge, or from the California antelope herds in eastern Lassen county.**

**California's initial antelope trapping project, conducted last winter by the Bureau of Game Conservation, resulted in the capture of 32 animals. These were transferred to Mono county in one of the longest hauls ever made with trapped antelope, and were released with a loss of only five animals.**

**The "know-how" acquired last year is expected to simplify this year's activities, according to J. S. Hunter, chief of the Game Conservation Bureau.**

**Antelope trapping is a cooperative effort, wherein a flying game warden herds the antelope by plane into a wing net trap arranged by the ground crew. A 100-foot rope net, flanked on each side by wing nets of wire extending from a quarter to a half-a-mile, is employed.**

Low water, high temperature, excessive algae and a greater than normal concentration of alkali killed a few five-inch trout recently in the first fall planting at Crowley Lake, according to A. C. Taft, chief of the Bureau of Fish Conservation, California Division of Fish and Game.

An unprecedented low level of water in the lake was responsible for the condition which, while it was fatal to trout fresh from a hatchery, apparently had no affect upon the trout already in the lake.

Following an analysis of the water — and the general situation —the bureau planted the remainder of the allotment in the fresher water of Owens River, above the lake, thus affording the hatchery fish an opportunity to accustom themselves to their new environment.

No further losses are anticipated, Taft said.

A fire which started near Peligrene Cabin on the Lassen National Forest last week swept into the Tehama Winter Deer Range east of here and burned over an area estimated from 7,000 to 15,000 acres. A quantity of recently constructed fence was reported destroyed. Winter forage and browse on the lower Mill Creek allotment was burned.

**Earl Leitritz, assistant supervisor of fish hatcheries in the Bureau of Fish Conservation, California Division of Fish and Game, has been named successor to A. E. Burghduff, veteran supervisor of fish hatcheries, who recently retired.**

**Leitritz, a Division of Fish and Game employee for 24 years, was superintendent of the Mt. Shasta Hatchery before he became assistant superintendent, and prior to his Shasta experience, was superintendent of the Fall Creek Hatchery.**

# OFF THE BLOTTER

Johnny Johnson, cab driver for Hilltop Cab Co., lost eight dollars on October 10 to Elgie F. Hartney, Mission Auto Court resident, when the latter allegedly threatened to beat Johnny for his money after the 50c cab fare was due.

Hartney seems to be having trouble with his libido lately. He was booked in Daly City just two days before that for allegedly removing some articles from a neighbor's cabin and depositing them in his own. No complaint was signed, however, for that incident.

Luck changes though; Judge John Fahey fined Hartney $50 or 30 days in jail and instructed him to reimburse Johnson. He's waiting now for money from home.

On October 11, Elmer E. Breitweiser, 32, of New San Francisco Auto Court, died in Junipero Serra hospital after telling a neighbor he had drunk Lysol. Breitweiser, who was a food warehouseman, was said to be despondent over an illness. He is survived by his wife Evelyn and his parents, Mr. and Mrs. Breitweiser of San Francisco.

Officers found Mrs. Matilda Montalvo, 76, in the early hours of the morning of the 16th, wandering down Mission street, apparently suffering from amnesia. Her daughter was notified after examination of papers in the woman's pocketbook.

Also on the docket for the week was the strong arm robbery of Otto Meisner, 432 Bellevue avenue, who reported four men held him up in front of his home and took wallets containing a total of $300. He could not describe the men.

Held on suspicion of theft and vagrancy is Edward Kennedy, who was reported to have taken a fur coat belonging to Edna Piasani, from the car of a friend, Fred Bottini, San Francisco, as it was parked on a Daly City street. When the couple made a search for the coat, they allege they found it in the possession of Kennedy, who was trying to sell it in a tavern.

Dan Goodwin, Goodwin Roofing Co., 1861 Junipero Serra boulevard, reported an 80-gallon tar kettle taken from the company property.

Joe Ausano, of 79 San Joaquin avenue, was found dead on a couch in his home last Wednesday after police investigated a report from a neighbor who claimed Ausamo had not been seen for several days.

Mrs. Shreve, 772 Templeton; Bob Nowak, 730 Templeton, and Earl Johnson, 724 Templeton, were all victims of a car clouter who carefully ransacked all the available automobiles on the block sometime during the night of the 14th.

# Busy Schedule For Local Eagles

New members of Colma - Vista Grande Aerie No. 1848, Fraternal Order of Eagles, are M. Bertolucci, G. Bertucci, E. Bocci, E. Burton, J. Cagle, P. Cappadona, M. Carlo, V. Caplo, H. Christen, R. Code, C. Eagan, A. Euge, C. Farmar, J. Geiger, A. Giullani, D. Guaraldi, A. Guaraldi, H. Goetz, C. Hatchell, J. Hendon, E. Hawkins, E. Herbstrett, E. Jahnke, H. Johnson, C. Kibbler jr., W. Kleinen, L. Krueger, A. Millett, W. Mooring, M. Morris, H. Paoli, E. Payne, P. Plyers jr., F. Ratto, E. Risberg, B. Scott, G. Smith, G. Thomas, L. Wichstrom.

Local Eagles will celebrate "Jimmy Cheatham Night" on October 23. Mr. Cheaham was a founder of the California State Aerie in 1903 and has organized 60 other aeries in the state. Meeting will open at 8:15 p. m. and plans for the occasion are special.

Otto Schramm was honored by the Aerie on September 18 when he was presented with a leather briefcase in appreciation of his many years of service.

After the October 10 meeting of the group, members of the Central YMCA wrestling team put on a match. Erich Diebel, Pacific Coast champion of his weight, made arrangements for this.

Women interested in the formation of an auxiliary are asked to contact the chairman of this committee, George Wheeler, 352 San Diego avenue, Daly City.

## Girl Scouts Meet

Girl Scout Troop No. 2 is planning far ahead into November with a Court of Awards, Girl Scout Week and a trip to the San Francisco Children's Opera. Also on the schedule is a talk by a woman active in Girl Guide work in England.

At the troop meeting on October 9, $2 worth of camp savings stamps were sold.

**Potato Calories**

**One medium sized potato has about the same number of calories as an apple of the same size or one medium-sized banana.**

# General Pershing PTA Strives For Total Membership

"Home and School United Through PTA" is the slogan for the membership drive opened on Monday, October 13, by the General Pershing PTA. The drive will last through October 31, and has as its goal an active representative membership from every home.

Mrs. John S. Calvin, membership chairman, says the reasons for joining the PTA may best be expressed by quoting the objectives of the National Congress of Parents and Teachers.

"Promote welfare of youth in home, school, church and community, to raise the standards of home life, to secure adequate laws for the care and protection of children, to bring into closer relation the home and the school, and to develop between educators and the general public such united effort as will secure for every child the highest advantages in physical, mental, social, and spiritual education."

Special reasons for General Pershing parents to join are the child welfare work, and efforts to combat juvenile delinquency which are supported by the PTA.

Each home will be contacted by membership envelopes which will be distributed to the children through the cooperation of the teachers. Parents are asked to place dues of 50c per year in the envelope and return it to the school.

Mrs. Calvin will post visual progress charts for each room in the school hall, and the room with the highest percentage of parent members at the end of the drive will have a party.

## FRANK BELLI'S CELEBRATE FORTIETH ANNIVERSARY

Mr. and Mrs. Frank Belli, 164 Bruno avenue, celebrated their fortieth wedding anniversary last Sunday.

They were entertained at a luncheon held in Fior d'Italia in San Francisco. Attending the party were Mr. and Mrs. Julio Pera and daughter Nancy, Mrs. Amelia Lagomarsino, Mr. and Mrs. William Belli and son Frank, Mr. and Mrs. Albert Belli, Vincenzo Bigongiari.

The guests of honor were presented with some handsome gifts.

## Guadalupe Parlor No. 153 Has Party

Guadalupe Parlor No. 153, Native Daughters of the Golden West, held celebrations Monday, October 13, which included Pals Night, presentation of 25-year pins, and a Hallowe'en party.

They report that Guadalupe Parlors received first prize at the Long Beach Admission Day festivities for the largest turnout.

## Billion Dollar Loss

Traffic accidents in the United States last year cost the nation a billion dollars in loss of life and property, the California State Automobile Association reports. Walking or driving, Take It Easy—and Live, the Association urges.

## Crocker PTA Gives Whist Party

Mrs. Frances Haussler, president of Crocker PTA, and Mrs. Florence Schmidt, vice president, are attending the class on parliamentary law given in Peninsula Avenue school, Burlingame.

At the October 14 meeting of the group, Mrs. Schmidt read the "Objects of the PTA" and gave an explanation of each point.

Mrs. Haussler reported on the district meeting, and Mrs. Ann Eason on the Life Membership Whist to be held today (Friday) at 8:30 p. m. in the home of Mrs. Martha Wegner, 399 Crocker avenue.

The president and some members attended the recreation meeting at the city hall last Tuesday at which time plans were made for the Hallowe'en parties to be held in the schools on Hallowe'en night for the children of Daly City.

# Corp. Donald Wacks Now On Duty In Japanese Area

WITH THE EIGHTH ARMY IN TOKYO, JAPAN — Corporal Donald Wacks, son of Mr. and Mrs. Samuel Wacks of 121 East Vista avenue, Daly City, is now serving with the First Cavalry Division which is on occupation duty in the ten prefectures of the Tokyo- Yokohama area. The First Cavalry Division fought all the way from Australia in the Pacific campaign of World War II and was first in Manila and first in Tokyo.

A graduate of Lowell High school, San Francisco, Corporal Wacks entered the army in October, 1946, and received his basic training at Fort Jackson, South Carolina.

Overseas since January, 1947, he is the information and education corporal for Headquarters Troop, Second Squadron, Eighth Cavalry Regiment.

Upon discharge from the service he intends to complete his study in law.

## Party for Dallas

Gwenn Topping gave an impromptu party on the afternoon of October 7 which served not only to welcome Dallas Goodenough to the neighborhood but also to celebrate the newcomer's eighth birthday.

The guest of honor resides at 150 Irvington street.

Other guests at the party were Joan and Judy Dunne, Peggy and Lois Holcomb, Gladys Khinoo, Helena and Frankie Topping.

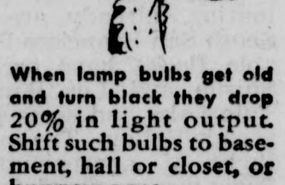
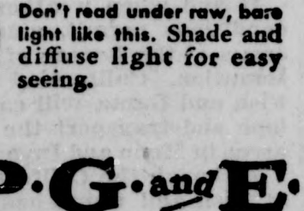
5 WAYS to Get MORE LIGHT for your EYES --- for your MONEY



1 Light output from lamps can be increased as much as 30 per cent by regular cleaning of lamp shades and bowls.

2 Use the right size lamp bulb for every seeing need. One 150 watt lamp bulb gives 50% more light than THREE fifty watters.



3 Place floor lamps by chairs and davenports properly for easier seeing and better light distribution.

4 When lamp bulbs get old and turn black they drop 20% in light output. Shift such bulbs to basement, hall or closet, or buy new ones.

5 Don't read under raw, bare light like this. Shade and diffuse light for easy seeing.

## Curran Theatre Features Drama Of The Old West

Back when folks didn't worry about isotopes and a big one with a high collar could be quafted for a nickel, corn was held in high esteem. That is, all kinds of "corn" except pedal afflictions. Of course, the yellow maize that now goes for two bucks and more a bushell is still in high repute.

When, by the process of nature, it is rendered into po'k chops or bourbon, it is even more cherished. It is the "corn" of show business that has fallen on evil times.

To those unversed in the lexicon of the world of make - believe, "corn" in the Coolidge administration would have been rendered "hokum" or "gravy." Probably the best synonym for laymen is "theatrical" or "dramatic."

When David Belasco wrote and produced "Girl of the Golden West," he included all the ingredients that cause folks to storm box offices. Comedy, pathos, suspense, menace, thrills and, above all, an absorbing love story. Ninety-nine per cent of the popular successes in the American theater conformed to the same pattern.

Then New York critics got too big for their breeches. They decried romance and ran hog wild for plays with "significance" and a "message." Producers, misestimating their power, staged shows to please the pundits of the press. As a result the queues at the ticket wickets shortened.

Now the trend is back to entertainment with a capital E. The biggest successes of the season are "Annie Get Your Gun," in the musical division, in New York, and "Girl of the Golden West," the drama entry, on tour. The latter is now at the Curran. The engagement ends October 18.

### *It Can't Be Done*

"Thousands upon thousands of car owners go on thinking they can tell by sight when a tire's pressure is up to the proper standard," states L. G. Evans, general service manager for National Automobile Club. "Try checking your judgment against a tire gauge some day. You will find that in nine cases out of ten you are wrong."

## Bazaar And Dinner To Be Given By Women Of Moose

Women of the Moose, San Francisco Chapter No. 739, will hold a benefit bazaar and baked ham dinner on October 26, at 26 Seventh street. Bazaar will be held from 3 to 5 p. m. and 8 to 10 p. m. Dinner will be served at 7 o'clock.

Ladies of the Moose suggest you can find a distinctive gift for bridal shower or Christmas gift at their sale. Home made cake and candy will also be made.

On October 21, there will be a special meeting held at 8:15 p. m. in Memorial hall. Mary Wallace, secretary of Academy of Friendship, will be a guest at this gathering.

## Optometrist in New Offices

Dr. Theodore Dykman, optometrist, recently established in handsome modern offices at 4597 Mission street, offers a wide scope of services to localites needing visual aid.

Dr. Dykman specializes in the prescription and duplication of lenses and visual training. He also repairs and adjusts glasses.

He was formerly associated with Dr. H. L. Kurtz, 2390 Mission street.

# News Column For The Vets

For the benefit of World War II veterans enrolled in California colleges and universities, Veterans Administration today reviewed recent legislation and VA regulations affecting training under the G.I. Bill and the Vocational Rehabilitation Act for disabled veterans.

END OF WAR—Public Law 239 sets July 25, 1947, as the official end of World War II for the purpose of computing eligibility for veterans' benefits under the G.I. Bill and Public Law 16. As a result, education and training under both laws must be completed by most veterans by July 24, 1956.

INCREASED MINIMUMS FOR DISABLED — Public Law 338 provides for automatic increases in the minimum allowances paid veterans in training under Public Law 16 whose disabilities are rated at 30 per cent or higher. The new minima are $115 a month without dependents and $135 a month with one dependent. Additional allowances are made for more than one dependent. The law requires no action by disabled trainees entitled to the higher rates because the increases, effecting September 1, 1947, will be paid automatically with the following check.

LEAVE POLICIES — New leave policies will permit unbroken subsistence payments to veterans going to college under the G.I. Bill and continuing their studies under an accelerated program. Veterans will be credited with 15 days leave to be applied at the end of the last consecutive term of attendance.

They will remain on the subsistence rolls for the entire period of enrollment certified to VA by the institution, providing, there are no more than 15 days between terms. Subsistence will be paid from date of enrollment to 15 days past the close of the last term they attend. All intervals of extended training between semesters and at the close of the school year will be considered as leave and will be charged against entitlement.

EARNING REPORTS—G.I. Bill students studying full time need file only an estimate of earnings on registration. The amount of subsistence allowance will be computed from these estimates. The periodic reports of actual earnings filed by veteran-students in the past no longer will be required unless there is evidence that earnings exceed the estimates.

STREAMLINED PROCEDURES — The new regulations have streamlined registration and subsistence payment procedures by eliminating numerous forms and reports required previously. Institutions no longer are required to submit to VA affirmative reports of conduct, progress and grades. Future reports will chart only unsatisfactory progress or discontinuances of training. The new procedure on earning reports eliminates the filing of at least two forms each academic year by each student-veteran.

Veterans may secure full information of the new laws and regulations at their nearest VA office.

Question: Do I have to repay subsistence allowance overpayments before I can go back to school under the G.I. Bill?

Answer: No. You merely have to make satisfactory arrangements to repay all overpayments before you will be permitted to reenter school under the G.I. Bill. It is VA's policy not to force any undue hardship on a veteran in the collection of these funds.

## What Causes Skidding

"Rarely it is speed, per se, that causes an automobile to skid," declares Bert Stewart jr., public safety director of National Automobile Club. "Almost without exception the vehicle goes into a tangent because of too violent a change in direction or the rate at which it is traveling. As long as the speed is uniform, it is inherent in the car's design that it will keep in a straight line. It is well to remember, too, that violent use of the accelerator, which changes the car's speed quite as much as use of the brakes, will cause the vehicle to skid."

# Safeway's Meat Counters are Open on Tuesdays

## (and every day except Sunday)

HERE IS WHY:

1. Many people need fresh meat in some form every day as prescribed by their physicians for specific health conditions.
2. Certain creeds and religious faiths may observe a day other than Tuesday as their meatless day.
3. Many consumers may find it necessary to buy their meat on Tuesday for use on Wednesday.

In having meat for sale every day Safeway is simply fulfilling its obligation to serve the needs of all customers.

In addition, Safeway believes that an important contribution will be made to cutting down waste by maintaining an even flow of perishable foods from producer to consumer. For its part, Safeway intends to wholeheartedly cooperate with President Truman's program by doing everything possible to eliminate spoilage and waste in its stores and warehouses. Closing the stores or withholding food from sale on any business day would simply mean an extra storage period for perishable foods which in turn would increase the amount of waste and spoilage.

## SAN JOSE STATE THEATRE PRESENTS "THE GUARDSMAN"

San Jose State College department of speech and drama opened its season last Friday with a faculty production of Molnar's sophisticated comedy, "The Guardsman." The play, which will run through Sunday night, initiates the department's new studio theater.

James Clancy and Elizabeth Loeffler are taking the parts made famous by Alfred Lunt and Lynn Fontaine. Clancy has appeared in many Bay Area amateur and professional productions. Miss Loeffler is a new director of drama at San Jose State.

The new theater is under the supervision of Harrison W. McCreath, also a new drama director.

## Constitution Examination November 22

A teachers' examination on the Constitution for those needing to qualify for renewal of credential will be given by the office of the County Superintendent of Schools in Central school, Redwood City, on November 22 at 9:30 a. m., has been announced by Pansy Jewett Abbott, county superintendent of schools.

## County Aid For August Totals $108,506

Aid paid to the needy in San Mateo county for August, 1947, totaled $108,506, up 41 per cent from the $76,967 paid for the same period in 1946.

Breakdown of disbursements shows $85,601 to needy aged, $2,701 to needy blind, $6,149 to needy children, and $14,055 in general county relief.

Relief for the month was financed by $39,615 from federal funds, $43,989 from state funds, and $24,902 from county funds.

## Look Before You Start

Make sure you have ample clearance before moving into a traffic lane from a parking place, the California State Automobile Association advises. Many accidents are caused by drivers who leave parking places without looking. The Vehicle Code specifically prohibits a vehicle from starting or backing into a traffic lane from a parked position until it is safe to do so.

## WED AT HOLY ANGELS CHURCH

Pictured are Mr. and Mrs. Lauritis Gray, whose marriage took place on Sunday, October 5, at Holy Angels church. Reading from left to right are Bernice Ciarlo, bridesmaid; Fern Gray, maid of honor; Mr. and Mrs. Gray; Conrad Cain, bestman; John Benetti, usher; Barbara Giusti, flower girl.
Flowers were furnished by Orlando Poletti, of Geneva Florist, 910 Geneva avenue.

# Navy Invites All To "Open House" Sunday, October 26

Residents of northern California were invited today to attend the gigantic Navy Day Open House at the Oakland Naval Supply Center on Sunday, October 26, from 10 a. m. to 4:30 p. m. Visitors were promised an entertaining, exciting, colorful and thrill-packed afternoon. Among the Navy's combat vessels which will be at the Center for the public to go aboard and inspect are the cruiser Los Angeles, the destroyer Maddox and the submarine Bergal. In addition, many exhibits and special events will round out a streamlined program which should please every member of the family.

Free boat rides around the Bay and a sham battle by the Marines are two of the items which will prove crowd appealing. Music will be provided by the Sixth Army band from the Presidio and a hilarious 1½ hour revue of professional entertainment has been lined up for the enjoyment of Open House guests. Radar, walkie-talkies, wire recorders, giant storehouses of Navy supplies, captured Jap equipment, carrier planes, jet engines, a gun repair shop and a large coffee roasting plant are also included in the Open House program. All transbay trains stop at the Oakland Naval Supply Center and visitors will be able to drive their cars right into the world's largest naval supply installation for Navy Day Open House, with plenty of parking space for everybody.

### For Emergency Only

"The blowout patch is by no means as sturdy as the original tire wall," declares L. G. Evans, general service manager for National Automobile Club. "Car owners err in expecting long mileage from its use."

### Average Car Age

The average car in use in the United States today is over nine years old, according to the National Automobile Club. This figure compares with at of five and a half years before the war.

### Shasta Power Rental Pays For Canal Systems

Funds paid to the federal treasury for Shasta power from the Central Valley Project used by P. G. & E. since 1944, left a net balance to the Bureau of Reclamation of $5,300,000.

This amount if applied to the water features of the project, is sufficient to repay the total cost of the already constructed Madera Canal and in addition about half the cost of the nearly completed Contra Costa Canal system.

Builders of Empire

LEONARDO DA VINCI
★ 1452-1519 ★
Italian artist and engineer. A tremendous influence on the artistic and mechanical progress of mankind was exerted by Da Vinci with his famous paintings, such as the "Last Supper" and "Mona Lisa", and his prophetic engineering skills, in initiating many mechanical principles which today are commonplace. Truly a man of great vision, he deserves his place with the world's great leaders.

Great vision and great leaders. To those who keep an eye constantly to the future comes the inevitable reputation of leadership. We are prepared to offer expert guidance in the proper materials, fixtures or construction for your home. Come in today!

Martin
OUTBOARD MOTOR

Time flies and Christmas will soon be here . . . especially for those who want to make the holiday a memorable one for the outdoor sportsman. Whether it's husband, father, son, brother, uncle, or sweetheart, he'll look on this Christmas as the biggest one of his life if you give him a MARTIN OUTBOARD MOTOR. Right now is the time to arrange guaranteed Christmas delivery of this fine motor . . . the new standard of performance in outboard motors. Now, too, is the time to arrange for easy payments so that this most-wanted gift can be entirely paid for when the big day for giving rolls around.

These features and many others make a Martin MOTOR the most-wanted gift for any sportsman

- Mechanically-controlled poppet valves, an exclusive MARTIN patent in two-cycle motors insuring uniform fuel distribution. This means instant starting, unbelievably slow cruising, instant and uninterrupted acceleration, surprising quietness in operation, and exhilarating top speed.
- New Martin Vertical Stern Adjustment (Patent pending)—Enables operator to attain correct vertical adjustment while underway.
- Power-head swivel, 360° (Patented)—Lower unit can swing into boat, permitting easy inspection.
- New Streamlined, Leak-proof Filler Cap—Combines vent and spare shear pin clip. Replaces old style screw-on type.
- Alternate firing
- Propeller clutch
- Steering stabilizer
- Full reverse steering
- Easy grip stern bracket handles
- Depend-a-pull starter
- Long-life sintered bronze rust-proof bearings
- Positive rotor water pump
- Synchronized and centralized controls
- Resiliently mounted handles and power head
- Quiet underwater exhaust
- Positive oil and grease seals

Shown here is the MARTIN '60' Alternate Firing Twin. Weighing only 43 pounds, it develops 7.2 brake H. P. at 4000 R. P. M.

An addition to the MARTIN line is the new MARTIN '40' which weighs only 35 pounds, and which develops 4½ H. P. at 4000 R. P. M. Another great alternate firing twin!
